A local/state public hearing was held at the Bardstown Independent Board of Education central office building on May 2, 2005, at 5:30 p.m. (local time). The purpose of the public hearing was to provide **Amendment No.1** to the District Facility Plan (DFP) developed by the Bardstown Independent Local Planning Committee. There were two individuals in attendance. Timothy K. Lucas, Division of Facilities Management, served as the state-appointed hearing officer. Samuel Wheatley, DPP of Bardstown Schools, was present.

COMMENTS

Mr. Wheatley called the public hearing to order and welcomed those in attendance. The hearing officer outlined the purpose of the hearing and the hearing procedures in accordance with 702 KAR 1:001. It was explained that those persons wishing to speak would be given the opportunity and that written statements would be accepted. It was also noted that all considerations will be made available to the Kentucky Board of Education via the hearing officer's report. The items to be amended in the plan were noted as follows:

- **At the Bardstown Primary School the district proposes to add; (10) Standard Preschool Classrooms, (1) Multi-Purpose Room at 2,500 sf., (1) Administrative Area at 1,300 sf., (1) Kitchen at 600 sf. and (1) Cafeteria at 1,400 sf.**

The floor was opened to those who wished to make a statement. No specific comments were made regarding the amendments to the DFP. Mr. Wheatley noted that the Long Range Plan of School Organization should be changed to read: P-2, 3-5, 6-8, 9-12. This has been adjusted on the attached DFP.

It is recommended that the amended DFP developed by the Bardstown Independent Local Planning Committee and adopted by the Bardstown Independent Board of Education be approved as the DFP for the Bardstown Independent School District. A copy of the new plan is attached.

Respectfully submitted,
